<sup>1</sup> A copayment is the amount of covered expenses that an individual must pay before any charges are paid by the medical plan.

<sup>2</sup> The percentile groupings are based on the average wage for each occupation surveyed, which may include workers both above and below the threshold. The percentile values are based on the estimates published in the "National Compensation Survey: Occupational Earnings in the United States, 2007." See Technical Note for

more details.

NOTE: Dashes indicate that no data were reported or that data do not meet publication criteria. For definitions of major plans, key provisions, and related terms, see the "Glossary of Employee Benefit Terms" at [www.bls.gov/ncs/ehs/glossary20082009.htm](http://www.bls.gov/ncs/ehs/glossary20082009.htm).
